PETITION FOR EXTENSION OF TIME

Dear Sir:

Applicant respectfully petitions for a one-month extension of time within which to respond to the March 14, 2005, outstanding Final Office Action, such extension allowing the undersigned until September 14, 2005 to respond.

The Final Office Action included form paragraph 7.39, which sets forth a variable reply period. The two-month period for responding to the Final Office Action expired on May 16, 2005 (May 16 being the first weekday following May 14, which fell on a Saturday). Applicant filed a response to the Final Office Action on May 16, 2005. Since Applicant's response was filed within two months of the mailing date of the Final Office Action and no advisory action was received in the three month period following the mailing date of the Final Office Action, the shortened statutory reply should be extended until the mailing date of an advisory action. For this reason, Applicants believe that only a one month extension of time is necessary.

Please charge the amount of \$120.00, as well as any other fees necessary to prevent the abandonment of the application, to Deposit Account No. 502306, as set forth in the enclosed transmittal letter.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Mail Stop AF, Commissioner for Patents, P. O. Box 1450, Alexandria, VA 22313-1450, on Sept. 14, 2005.
